The Deer Leap

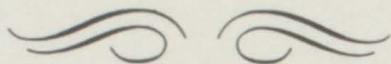

A black and white photograph of a forested hillside. In the foreground, there is a body of water, possibly a pond or a slow-moving stream, with some reeds or tall grasses growing along the edge. The hillside is covered in dense trees and foliage. On the right side, a portion of a building is visible, partially obscured by trees. The overall scene is a natural, wooded landscape.

DEDICATION

As an expression of our heartfelt thanks for your guidance, your personal interest in each of us, and the warmth of your friendship toward us, which have made our high school years memorable, we, the class of '55, dedicate our yearbook to you, Mr. Bourgeois.

In recognition of your great sacrifice of time, and in appreciation for the patience and deep understanding you have shown, we also dedicate the DEER LEAP to you, Mrs. Ruth Lamont, in sincere gratitude.

I N M E M O R I A M

Last summer there was lost to us a man who was more than just a former principal. We at Bristol High School will remember Mr. Thomas Sullivan as a beloved teacher whose strength of character and warmth of personality have made for him a permanent place in our memories which cannot be altered, even with his passing.

SUPERINTENDENT'S MESSAGE

I wish to extend my congratulations to the class of 1955 on the successful completion of your second goal in your educational life. Whether you continue in education or go into your life's work, I know you will succeed.

CLASS OF '55 ENTERS FIRST GRADE

The class of '55 started on the road to one of the most colorful histories in B. H. S. with Mrs. Hannon at our head. Of the number which enrolled that year these remain in the class: Donald Wisell, Charles Fuller, Carolyn Paine, Rae Palmer, Gary Devino, Yvonne Cousino, Delores Corliss, Gordon Wright, Rita Cousino and Deanna Danbrooke. We spent the last day of school that year enjoying baseball and box lunches at the recreation field.

MRS. ILENE WRIGHT SUPERVISES ACTIVITIES IN '44-'45

Mrs. Wright, mother of one of the '55ers, had charge of the class which had added more to our number Barbara Morrison, Delna Lattrell, and Carl Aldrich. Talent for singing and dancing was further brought out in a Mother Goose play we put on complete with colorful costuming. This year our picnic plans were drenched, and we had to have our outing in the gym.

THIRD YEAR EVENTFUL

The '55ers found excitement as we formed an Audubon Bird Club under the direction of our teacher, Miss O'Connor. We delved into Indian lore and found it very interesting. Our third year was climaxed by a very thrilling trip all the way to Burlington, first to the museum and then to Ethan Allen Park.

NEW STUDIES

Mrs. Trombley initiated the worldly '55ers to the studies of history, geography, and English, difficult at first, a challenge to the hardy class. We were joined that year by Marcia Hunt from Bristol, Conn., and Joan Fraser from Newton, Mass. We presented a patriotic play in the spring in which the whole class participated. The annual picnic was enjoyed by the '55ers at Devino's pasture.

DUAL LEADERSHIP FOR CLASS OF '55

Due to an injury, Mrs. Gregory was unable to teach for several weeks of our fifth year, and we were guided on our way by Mrs. Ryan. Our nature study, or waxed leaves and tree booklets, was memorable during the year. At the end of this year we journeyed to Proctor to visit the marble exhibit and returned by way of Lake Dunmore for an unscheduled swim.

FORT TI INVASED

The first part of the sixth grade was marked by a Christmas play for our parents. A very unfortunate accident prevented Mrs. Stanton from teaching during the final months of '49, and once more Mrs. Ryan stepped in to help out. Two other new students entered the

class this year, Laura Rathbun and Gary McDonough. The '55ers stormed Fort Ticonderoga on our class picnic and really had a good time at it.

THE '55ERS JOIN JUNIOR HIGH

A new phase in the schooling of the class of '55 came as we entered the seventh grade. With two new classmates, Carol Morse and Kenneth Bannister, we tackled the business of changing rooms, study halls, and selling taffy. We operated two booths, penny-pitching and a marble game at the school fair. At Christmas we took in the Christmas Pageant as a chorus of 7th grade "angels." We gave a surprise party for our teacher, Mrs. Whitcomb, in the spring. It was back to Burlington for our picnic this year.

THE EIGHTH GRADE

Our eighth year was marked by much study mixed with a lot of fun. The advisor that year was Mr. Sarchioto. We put on our first dance, a very successful orchestra dance, at the town hall. We had a very enjoyable sleigh ride with hot chocolate at Tomasi's afterwards. Lake Dunmore was the scene of our picnic that year.

INITIATION CEREMONIES

The long dreaded initiation went off well in a flurry of black faces, onions, and high-heeled shoes, and the honorable seniors set us to doing useful tasks such as sweeping the stairs with a tooth brush. Our enrollment increased greatly with the addition of Donald Noble, Gareth Tobin, Burton Zeno, Paul Tomlinson, William Knox, David Knight, Viola Jewell, and Barbara Purinton. Again we found ourselves faced with new subjects including civics taught by Mr. Bourgeois. Mrs. Jimmo helped us in sponsoring a dance and a food sale to bolster our treasury and at the end of the freshman year we journeyed once more to Dunmore.

SOPHOMORE YEAR SUCCESSFUL

It seems that the '55ers were doomed to switch teachers again in the middle of the semester. At mid-years' time Mr. Andrews left and Mr. Bourgeois, whose name we could now pronounce, took over. More money-making schemes were made to finance the prom we anticipated for the next year. Leonard Kimball joined us that year. The class made a trip to the museum where we saw two very interesting movies. The picnic plans were carried out in June with a trip to Bayside in a song-filled bus.

"MOST SPECTACULAR PROM EVER SEEN," CRITICS SAY

The beautiful Junior Prom was the crowning of all the money-making efforts of the gallant '55ers. The night was perfect, the decorations fantastic, the refreshments just right served at candle-lit tables. It was well worth all our efforts. All year we worked on the financial side of the prom, working every moment at making more money and having a good time at it. During the summer months we learned that Mr. Bourgeois was leaving and gave a party in his honor at which we presented him with several gifts and served a five layer cake. We realized that this year had been one of the most memorable.

'55ERS PREPARE FOR GRADUATION

At last the class of '55 approached the crossroads in our history and, as we first look back on our senior year, we remember our trip to the Ice Follies in February which was great fun--and certainly different. Our initiation ceremonies and dance were among the finest ever seen at B. H. S. We remember our unusual senior play, THE IMAGINARY INVALID. Now we are looking ahead to graduation on June 10 when we will leave to take separate paths.

CLASS SONG

Tune: "As Time Goes By"

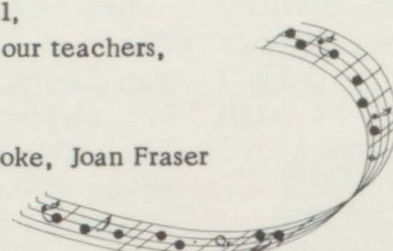

We're leaving Bristol High,
It's hard to say good-bye,
Our high school days are done,
We must continue on our journey,
We've had our fun.

Picnics and parties, we were always there,
Laughing and happy, never had a care,
And we'll remember dear old Bristol High,
As the years go by.

And with each passing year,
Each memory will be dear
Of friends we knew so well,
Our thanks ring out to all our teachers,
For they've been swell.

Deanna Danbrooke, Joan Fraser

CLASS POEM

Motto: "THE WORLD IS ADVANCING; ADVANCE WITH IT"

Sunshine, flowers, trees and shadows
Wind and rain, the stars at night.
At every turn a new delight
Trees in autumn, drifted piles of sparkling snow,
Laughing brooks rolling on,
A bird's sweet note at dawn.

The world of beauty painted in colors no artist can recreate.
The world, advancing, the world, racing on, toward some
unknown destiny.
Yes, the world is advancing and the minds of its people advance
Onward, upward seeking their goal.
Their minds advancing further and further.
Seeking, searching, stumbling, falling, but still advancing.

The world is advancing in the pages of history,
In fields of all kinds of work--
Science, industry, planes, building, chemistry,
The list goes on indefinitely.
Yes, surely, the world is advancing, advance with it.
But remember, always, the hand of God is there to Guide o'er
all the advancing world.

COMMERCIAL CLUB REPORT

This year we began our club by electing the following officers: President, Charles Fuller; Vice President, Royden Layn; Secretary, Deanna Danbrooke; Treasurer, Antoinette Thomas. Ronald Gordon and Ralph Prime were appointed to be in charge of the Commercial Club entertainment.

We have sponsored a school paper, which has been published every two months. The staff consists of Rita Cousino, Joan Fraser, Deanna Danbrooke, Antoinette Thomas, Delores Corliss, Gareth Tobin, and Marcia Hunt.

As a means of earning money, the Commercial Club has acquired a pencil vending machine with our school name engraved on the pencils.

Respectfully submitted,
Deanna Danbrooke

The Student Council is composed of three representatives from each class in junior and senior high school. This year Cecile Cousino, Arlene Hammond, Jackie Williamson, Mike Burke, and Mr. Breen attended the Vermont State Convention of Student Councils in Windsor, which lasted two days. EXPRESSES THANKS

TO

All those who have offered us guidance, friendship and assistance throughout high school. We wish to show our appreciation for the sacrifice and ever accessible aid of our teachers, for the patience and innumerable little kindnesses of our parents--all of which so often go unrecognized yet are invaluable--and to thank those who helped to produce this yearbook, in the writing, typing and illustrating. Most especially we want to thank

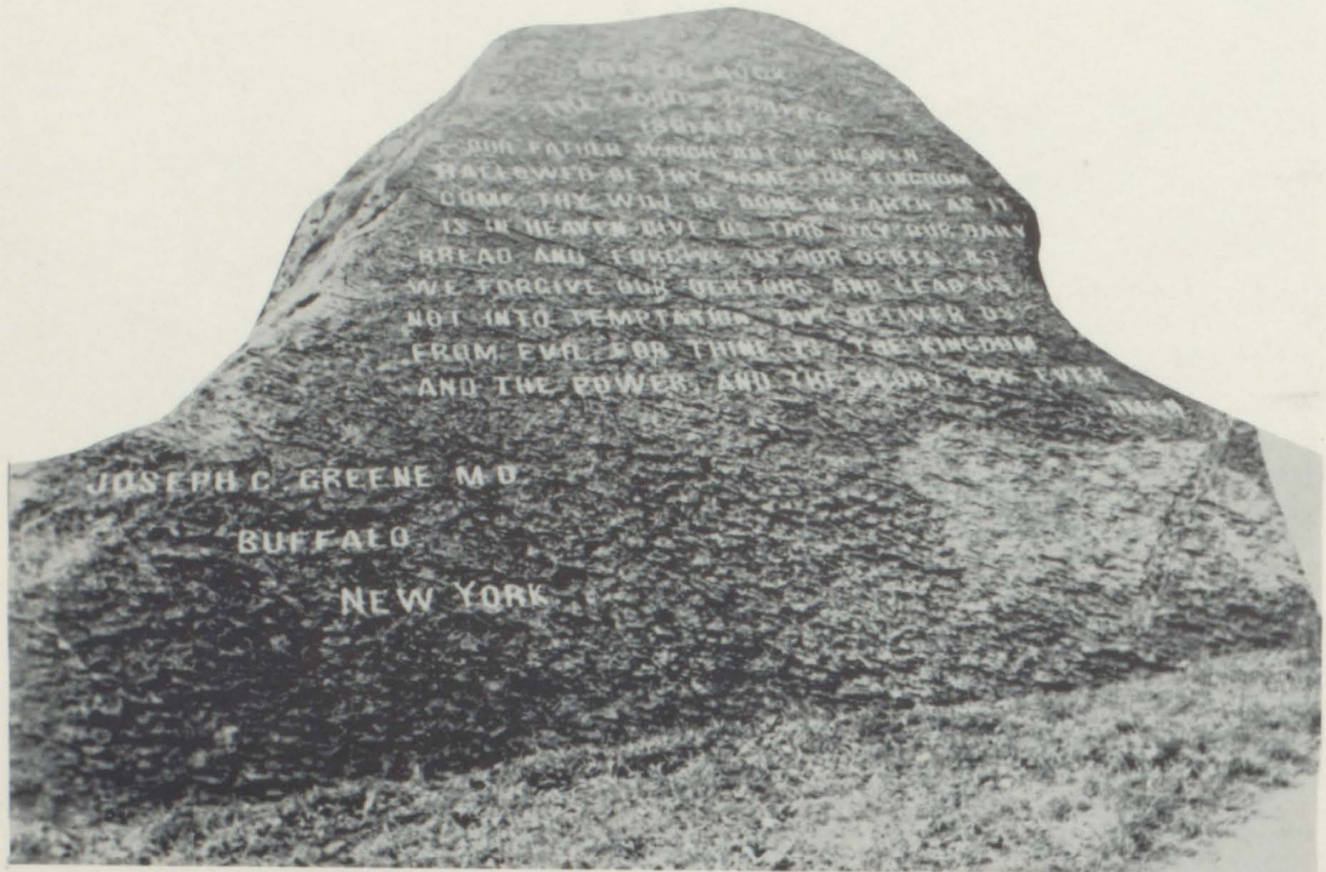

THE EKMANS

without whose painstaking work in the line of photography this book would not have been possible.
